

History

I am **Phil Wildman**, founder of **Total9Ball** (known in short as **T9B**), **Britain's Amateur 9-Ball Pool Tour**. You can **email me**, follow me on **twitter**, add me on **facebook** and see any links here **about.me/pl_wildman**.

Total9Ball began in 2010, since T9B was established we have had great successes organising over 40 high quality events using over 10 different venues countrywide, collecting over 2000 match results attracting over 230 players. T9B has grown immensely in a short space of time, with sponsors on board now such as **Kamui Tips**, **Sanctuary Cues** and **Ultimate Breakmaster** (**Oliver Ortmann's** own design of the new Magic Rack). Part of the Kamui Sponsorship deal is any player purchasing a Kamui Tip from T9B receives £5 off their next T9B Entry fee, so take advantage of this generous offer. Kamui tips are sold at standard price.

With **Hurricane Rooms**, **Mickey Flynn's**, **Rileys** and other privately owned clubs in full support of T9B, we are proud to say our events are held at some lovely venues. At each event, T9B uses the top equipment available, with each table equipped with a set of **Aramith TV Pro Cup Balls**, a **Ultimate Breakmaster Rack** and a **Scoreboard** thanks to your membership fees.

In 2012, T9B introduced a new exciting format with many advantages over older formats:

- A **2x Double Eliminator** invention so that each player is guaranteed a minimum of 2 matches
- You could **meet yourself in the final** taking the **Winners, Runners Up** and the **Jackpot Prizes**
- Matches drawn and match times published in advance of tournaments
- **Handicaps** used to aid lesser players and make matches closer and therefore more exciting

This year Total9Ball's development continued with a **National Series** open to players of all abilities around the **U.K.** and we are always trying to improve and progress.

T9B is a small team of hard workers offering big competitions for players, whose objective is to provide a professionally run pool circuit throughout Great Britain specialising in the 9/10 ball discipline, introducing and creating new formats to entertain you, the player. Side games and tournament pots roll-over at each event if not won adding to the atmosphere and encourage players to keep coming back for more.

Explore the web site **t9b.co.uk**, to see the players, **rankings**, **tournament winners** and **up-coming competitions**.

Membership Fees

Players are required to pay an annual membership fee of £25 via **bank transfer**, **cheque** or via **paypal**. This entitles the player to compete in all events staged by T9B.

Benefits of becoming a T9B member:

- **Guaranteed** spot at each event
- **Ranking** point accumulation and seeding where appropriate
- **£5 discount** for each event you attend

Each event has varying entry fees which are required to be paid in advance and before the scheduled cut off date. T9B will now be very strict on this as it guarantees a great event and more players can feel safe traveling long distances knowing the prize fund before they attend.

How To Pay

Bank Transfer: Please make the correct payment to **Miss Nicole A Hansen, Lloyds TSB, Sort code: 30-96-96, Acc. No: 49407060**.
