But also local heroes from the Benelux, Germany, France and the UK will have their shot at the title and the big money, as everyone can enter the qualification rounds. Let's play pool!!!

The Game

The game is 10Ball! The object is to play the balls, numbered from 1 to 10, in consecutive order. It's a 'call shot' game; therefore, the intended ball to be potted needs to be announced.

The game of 10Ball is immensely popular worldwide, hence the many prestigious 10Ball tournaments...

Leuven

Leuven is situated on the important axis Oostende-Brussel-Leuven-Liège-Köln. Frequent train connections join Leuven with Mechelen, Antwerpen, Brussel, Gent, Brugge, Oostende, Hasselt en Liège.

As to the car traffic Leuven is located near the junction of two important motorways: E 40 and E 314.

By air, Brussels Airport is the nearest, at 22 km from Leuven.

Leuven still owes much of its character to the numerous university college buildings dating from the 16th and 17th centuries, many of which were renovated in the 18th century. The building of paved roads, the canal in the 18th century and the expansion of the brewery created a great impetus for trade and population growth. Leuven is the city of beer, terraces, its many students and breathes history.
