### Cancellation of announcements

If a player announces himself for a Euro Tour event and paid the entry fee it is allowed to cancel the participation without losing the entry fee. The cancellation will be accepted if the cancellation is sent in writing a minimum of one week before the accreditation of the event starts and must be sent to tour manager.

The paid entry fee will then be forwarded to the next event or can be paid back to the player.

Cancellations less than one week of the accreditation start of the event, can only be accepted if the player is sick or has an accident or something in that direction. All cancellations within a week of the accreditation start of the event need a certificate from a doctor or police in order to make sure that the entry fee is not lost.

If all documents are provided in this case then the entry fee will be forwarded to the next event.

In all other cases with exception of the above the entry fee will not be returned and therefore is lost.

If it turned out that a player announced himself for the event and did not pay the entry fee upfront because he decided to pay at the venue, and does not show up, the entry fee is still payable. The player in question will then be put on the so called „black list“ which means that the open entry fee must first have to be paid before the player in question can enter a next Euro Tour event.

### Participation eligibility

A player is eligible to participate as a representative of the EPBF member nation for which they hold a valid citizenship/passport. Players representing nations in which there is no National Federation can apply for a direct membership to the EPBF.

## CHANGES:

### Dress Code changes:

The Dress Code has changed and the following applies:  
Trousers are no longer required black dress trousers, you are permitted to wear other colors but they must be dressed trousers and the Tournament Director has the final say on acceptance of trousers.

### Break rule change:

On the kitchen line (break line) there will be 2 markers placed in an equal distance of 420mm each rail.

At the 9-Ball events, the cue ball must be placed between the 2 markers meaning the cue ball is in the middle.

At 10-Ball events, the cue ball must be placed between either of the markers and the rail.

This will be commonly known as 9-Ball inside and 10-Ball outside.

### Amount of Euro Tour Events:

It is decided that in 2011 only 6 Euro Tour Events will be played. This is done to create space for a new event in the ET system, "The European Open". ( More information about the European Open a bit further in this document).

The Euro Tour events that are clear in 2011 are:

"Dynamic France Open" presented by Leader Billiard Club	10.02. / 12.02. Sucy en Brie
"Dynamic Italy Open" Presented by Federbillardo	14.04. / 16.04. Treviso
"Dynamic Austria Open" Presented by Sank Johann I.Pongau	07.07. / 10.07. Sankt Johann I. P.
"Dynamic German Open" Presented by Axxon Hotel	25.08. / 27.08. Brandenburg

“Dynamic Spain Open”  
Presented by Showsports

01.12. / 03.12.  
Benidorm ??

The 6<sup>th</sup> event is not decided yet but will be held probably in October or November 2011. The following options are valid for this 6<sup>th</sup> event: England – Portugal – Hungary – North Cyprus

We'll try to finalize the 6<sup>th</sup> Euro Tour a.s.a.p. and inform you accordingly.

Prize money 2011:

As you all know the Euro Tour had to suffer also in 2010 from the financial situation which lead to a drop of the number of participants. In order to get more players involved again we have changed the prize money as follows:

Winner	:	€	4.500,00
Runner-up	:	€	2.800,00
3 <sup>rd</sup> place	:	€	1.800,00
5 <sup>th</sup> place	:	€	1.380,00
9 <sup>th</sup> place	:	€	900,00
17 <sup>th</sup> place	:	€	750,00
33 <sup>rd</sup> place	:	€	400,00

From now the total prize money will be € 42.020,00 so we have raised the prize fund 2000€ despite the downturn. The difference now is that we took some from the higher places and also added something extra from IBPF. With this new prize money breakdown we hope that more players will be almost funded for their trip.

### European Open:

At the beginning of each year (starting 2012) we want to organize a so called European Open Event. In 2012 we are looking to organize this first edition in conjunction with the World Championship for National teams in Hannover.

The event will start with a normal Euro Tour with the exception that the top 32 of the Euro Tour Ranking after the Euro Tour in Spain are automatically qualified for the Final stage. The 32 players who qualify via the Euro Tour will join the 32 already qualified players for the final stage.

The details of the event are not finalized yet but the aim is to have a total prize money of around € 75.000.00 till € 80.000.00.

If the event is finalized we will inform you further.
